到了专利认证，可以说，我们的创新产品完全颠覆了人们以往的产品价值观和认知度。型的非洲面料选择上，还是从供应资源的能力整合上，可以说是行业内最早的引领者。

Our services and products are not limited to what you see on our website. Customers can customize the print of the fabric and pattern and design of clothing here.

Here you can see the process of our costume design and production, you can add your own opinions to make your own clothing.

### The first

Our salesperson will patiently receive customers and actively obtain their ideas to recommend more accurate solutions to customers.

### The second

Our designers make clothes hand drafts and design drafts according to customer needs in 24 hours.

Here customers can customize the basic parameters of clothes such as shoulder width, length, etc. and design style.

Then  
We will choose the fabric of  
the clothes.

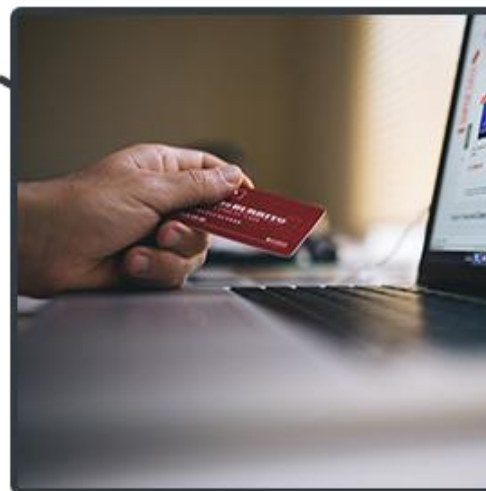

Here we will give a catalog  
with clear pictures of fabrics,  
customized designs are avail-  
able.

Finally  
After all the above steps a  
confirmed, we give the fin-  
product picture, if the cus-  
tomer is satisfied, we will  
make the picture to a real  
duction.

After confirming these details,  
we will send PI to you

After you pay, we will arrange  
the factory to produce cloth-  
ing.
